GLOBAL YOUTH – IUFE FACHTAGUNG

24. Mai 2018

Gottfried Franz Mayer

Institut für Umwelt, Frieden und Entwicklung

A light gray world map is centered on Europe. Overlaid on the map is a circular arrangement of approximately 28 colorful dots in various colors (red, blue, green, yellow, pink, orange, purple, etc.), representing the member states of the European Union. The dots are arranged in a ring, with a smaller inner ring of dots in the center.
